ControlMySpa™

THE FUTURE IS NOW

A REVOLUTION IN REAL-TIME CONTROL AND EFFICIENCY

ControlMySpa™ is a fully integrated service that connects you to your hot tub from any smartphone or tablet. Control the lights, temperature, set-up schedules and more. Receive instant push notification alerts when a potential problem occurs so you and your dealer know about it, even while you're away.

ControlMySpa™ includes web and smart device applications for easy access to spa functions and information. Review the current spa status anytime. And, instead of going outside and pressing buttons on the topside panel, the CMST™ app lets you start the tub and change your settings from your smartphone or tablet.

Enjoy peace of mind and unparalleled convenience anywhere, anytime, anyplace, with ControlMySpa™!
